STANDARD TERMS AND CONDITIONS OF SALE (Dated: May 1, 2015)

Except as otherwise agreed to in writing by GreenStar Products Inc. ("GS"), the following terms and conditions ("Terms") shall apply to GS's offer of sale ("Offer") of the luminaries, equipment or parts ("Goods") to the customer or person or entity purchasing the Goods ("Purchaser"). For purposes of the Terms, Offer means all written quotations in which the Terms are referenced, unless waived or modified in a signed writing by GS, and all resulting contracts.

ACCEPTANCE: Purchaser's written order accepting this Offer of Goods ("Order") or written direction to GS to proceed with engineering, procurement, furnishing, manufacturing, shipment or delivery of such Goods, shall constitute agreement to only these Terms. Acceptance of this Offer by Purchaser must be expressly limited to these Terms. Any additional or contrary terms in Purchaser's written purchase order, acknowledgment and other written direction will constitute a material alteration which GS objects to and rejects. Trade custom and/or usage are superseded by these Terms and shall not be applicable to broaden or narrow the express terms of this Offer or used otherwise in its interpretation.

PRICES: Prices are in United States Dollars and include the cost of the manufacturer's usual factory tests, inspection, packing, and delivery FCA GS designated facility or FCA place of shipment of GS's supplier (INCOTERMS 2010). Such prices do not include any other costs applicable to the Goods, including without limitation, export packing, loading, unloading, handling, storage, transportation, installation, and insurance charges. The prices applicable to the Goods are those in effect at the time of Order. Purchaser's payment of GS invoices containing clerical or pricing errors will not relieve Purchaser's obligation to make full payment.

TAXES: Prices do not include any federal, state, municipal, or local property, license, privilege, business, occupation, stamp, documentary, sales, use, excise, gross receipts, duties, custom charges, value added or other similar taxes, fees or charges ("Taxes") which may now or hereafter be imposed by any governmental authority on the Goods, or services, related to the transaction between GS and Purchaser. If Purchaser holds a direct payment permit or claims an exemption from Taxes, Purchaser shall provide GS with documentation acceptable to the taxing authorities involved. Otherwise, Purchaser agrees to pay or reimburse GS any Taxes which GS or GS's subcontractors or suppliers are required to pay. Under no circumstances shall GS be responsible for any income and/or payroll taxes attributable to Purchaser and/or Purchaser's subcontractors. Purchaser hereby agrees to indemnify GS for any liability arising out of income and/or payroll taxes attributable to Purchaser and/or its subcontractors.

PAYMENT: Subject to credit approval by GS, all invoices shall be paid in full in United States dollars within thirty (30) days after the date of GS's invoice. GS shall invoice Purchaser for the full purchase price of Goods shipped upon delivery of such Goods. In the event progress payments are required, GS shall invoice Purchaser for such progress payments upon completion of the applicable milestone. If, in the judgment of GS, the financial condition of Purchaser at any time prior to delivery does not justify the terms of payment specified in an Order, GS may require payment in advance, progress payments, payment security satisfactory to GS, or may terminate the Order and Purchaser shall be liable for cancellation charges in accordance with the termination provisions provided herein. If delivery is delayed by Purchaser, payment shall be due thirty (30) days from the date GS is prepared to make delivery. In the event Purchaser fails to make payment by the date provided herein, GS may deduct such amounts due GS from all amounts it may owe Purchaser, whether matured or unmatured, arising from this or any other transaction. Purchaser agrees that any unpaid portion of the purchase price shall bear interest at the rate of 12% per annum from and after the date due and owing. Notwithstanding any other provision of an Order, GS does not intend to and shall not charge, collect or contract for interest in excess of the maximum rate permitted by law. Any such excess interest shall be applied first to reduce any unpaid portion of the purchase price and then to all other outstanding charges owed GS, until such time as each is paid in full, at which time any remaining excess shall be refunded to Purchaser.

DELIVERY: Delivery dates are approximate and dependent upon (1) prompt receipt by GS from Purchaser of all information necessary to permit GS to proceed with its work immediately and without interruption; (2) Purchaser's compliance with all terms and obligations of the Order, including payment terms and continued solvency; and (3) Purchaser's ability to provide GS with adequate assurance of Purchaser's ability to fully perform its obligations under the Order, including assurances of payment, should GS reasonably request such assurances. GS shall deliver the Goods FCA GS designated facility or FCA place of shipment of GS's supplier, export packing not included (INCOTERMS 2010). Partial deliveries shall be permitted. Upon such delivery, title to such Goods shall pass to Purchaser. Purchaser shall promptly inspect all Goods for quantity differences, damages and nonconformity. Purchaser shall be deemed to have accepted all Goods not rejected within fourteen (14) days following delivery. Following acceptance, all claims of defect or non-conformity shall be governed by the WARRANTY provisions herein. In the event Purchaser requests an extension of the delivery date and GS, in its sole discretion, agrees to extend such date, GS may place such Goods in storage either at a GS operated facility or at another location, retaining the risk of loss for such Goods. In such events, (1) all costs incurred by GS in connection with such storage, including, without limitation, costs of preparing such Goods for storage, placement into storage, handling, storage/demurrage, inspection, preservation and insurance (or if storage shall be at a GS operated facility, reasonable storage costs not to exceed five percent (5%) of the total price of the Goods being stored for each month of storage), shall be due and payable by Purchaser upon receipt by Purchaser of GS's invoices, and (2) GS's delivery obligations shall be deemed fulfilled and title to the Goods shall pass to Purchaser, if it has not already passed, and (3) when conditions permit and upon payment of all amounts due hereunder, the parties shall arrange for shipment in accordance with delivery terms of the Order.

MODIFICATIONS: GS shall have the right to modify the design and/or method of manufacture of the Goods without advance notice to Purchaser if, in the judgment of GS, such modification does not materially and adversely affect the performance of the Goods. Upon acceptance in writing by GS, Purchaser may request reasonable changes in any one or more of the following: (1) drawings, plans, designs and specifications; (2) quantities; (3) delivery schedule; or (4) place, manner or time of delivery. If any such change increases or decreases the cost of the Goods to be provided and/or delays GS's performance, then GS shall be entitled to an equitable adjustment in price and/or time of delivery.

FORCE MAJEURE: In no event shall GS be liable for non-delivery or delays in delivery of the Goods or for failure or delay in the performance of any other obligations arising directly or indirectly from causes of any kind beyond GS's control, including, without limitation, acts of God, unforeseeable circumstances, acts (including delays or failure to act) of any governmental authority (de jure or de facto), war (declared or undeclared), riot, revolution, priorities, fires, floods, weather, strikes, labor disputes, sabotage, epidemics, factory shutdowns or alterations, embargoes, delays or shortages in transportation, delay or inability to obtain or procure labor, manufacturing facilities or materials, or to obtain timely instructions or information from Purchaser.
